## ALLARD SUPPORTS IRAQI RESOLUTION COLORADO SENATOR JOINS PRESIDENT IN THE WHITE HOUSE ROSE GARDEN TO SUPPORT CONGRESSIONAL RESOLUTION

Washington, D.C. – U.S. Senator Wayne Allard (R-CO), a member of the Senate Armed Services Committee, today joined with President George Bush in the White House Rose Garden to announce his support for the bipartisan Iraqi Resolution.

“It is important that America speak with one voice on this very important issue,” said Senator Allard. “This bi-partisan resolution sends a message to Saddam Hussein that the United States is committed to protecting the world from weapons of massive destruction.”

Allard said the resolution authorizes the President to "use the armed forces of the United States as he determines necessary and appropriate in order to 1) defend the national security interests of the United States against the continuing threat posed by Iraq and 2) to enforce all relevant United Nations Security Council resolutions regarding Iraq".
